# Fall Carts

## Roof Zone Penetrator

Part Number	Penetrator	EQP-RZ65033
	Aluminum Work Surface	EQP-RZ65031
	Lifting Kit	EQP-RZ65032

The Penetrator is the industry's first lightweight and fully portable mobile fall protection device. When a fall occurs, the powerful penetrating spikes engage, piercing into the roof insulation and metal decking, thus creating a safe, secure anchor. For use on most substrates, **NOT INCLUDING CONCRETE**, the Penetrator has been tested for use on Built-Up, TPO, ISO, PVC, EPDM and other standard materials that are part of a finished roof system. The Penetrator is reusable and offers the lightest mobile fall protection system available on the market today

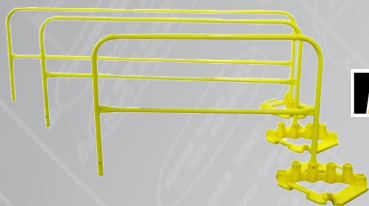

## Garlock Lifepoint Duo

Part Number	w/Steel Weights	GAR-301383
	w/Empty Cans	GAR-301384

The LifePoint Duo is the perfect solution for a 2 person fall protection when circumstances require non-penetrating versatility. LifePoint provides the answer with an easy to set up and quick-move solution.

- Non-Penetrating to preserve rooftop water integrity.
- Tie-off points for (1) Fall-arrest and (1) Fall-Restraint
- Easy to reposition
- Ratcheted handle enables the weighted body of the unit to lifted safely
- Fits in most service elevators
- Available with either open concrete can weights or cast weights

# Perimeter Safety

## Garlock Railguard 200

Part Number	10' Railguard	GAR-400984
	7' 6" Railguard	GAR-400985
	5' Railguard	GAR-400986

RailGuard is modular and comes in basic kits which include (1) rail, (1) base and (1) pin. Individual components can be added for custom safety guardrail applications. RailGuard can also be mounted permanently both internally and externally.

- 16 gauge welded steel rail and powder coated for durability
- Std. yellow color or available in a wide variety of colors
- 90 pound four socket cast bases for flexibility and ease of installation
- Meets OSHA 1910.23(c)

## Garlock Perimeter Clamp

Part Number	GAR-155160
-------------	------------

Perimeter systems save labor and improve efficiency over visual warning lines because after setup, you can safely work all the way to the edge of the roof or deck structure without being tied off.

- Clamp and Stanchion system for leading edge fall prevention. (2x4 wood not provided)
- Secures to parapet, flat edge, or slab edge enabling free access to entire protected area.
- Meets OSHA 1926.501(b)(1)
- No-Tool installation of clamp and stanchions.
- Ergonomic Large coated handle for ease of use and long life.
- Concealed fastener threads protect from handling damage.
- Adjustable clamp can accommodate up to a 24" parapet.
- Concealed fastener threads protect from handling damage.

## Garlock Baseplate for Railguard 200

Part Number	GAR-155160
Additional baseplate for the Garlock Railguard 200	

## Garlock Base Transporter

Part Number	GAR-300892
Base transporter with air tires	

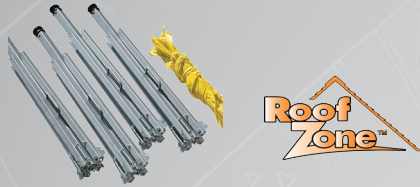

## Garlock Folding Warning Lines

Part Number	GAR-300229
-------------	------------

Create a safe-zone using the Garlock Folding Warning Line System. Heavy duty folding stanchions and 100 ft of vinyl flags set up quickly. Add the optional transporter for the ultimate in storage and portability. Typical installation for warning lines requires lines be placed a minimum of 6ft. from hazard for construction applications. (See your individual state OSHA regulations for compliance.)

- Premium folding warning line system used for visual warning of at risk areas.
- Meets OSHA 1926.502(f)(2)
- Standard system includes three folding bases and 100 feet of flags.

# Perimeter Safety

## Folding Warning Line System

Part Number	RSE-RZ65002
<p>Help protect workers from dangerous areas around jobsite or roof. Includes 4 Stanchions and 105' of bright yellow pennants. This lightweight and compact warning line system is easier to set up and requires less storage space. Spring activated legs lock firmly into place, no lost poles or locking pins. Each stanchion has a built in handle for easier transporting to and from jobsite.</p>	

## EZ-Stor Warning Flag System

Part Number	RSE-RZ65016
<ul style="list-style-type: none"> <li>•Constructed with heavy duty Loc-On-Galv steel tubing w/clear coat</li> <li>•Will not rust from inside out</li> <li>•Interlocking legs pin to the vertical stanchion tube for quick set up and tear down</li> </ul> <p><b>Includes</b></p> <ul style="list-style-type: none"> <li>•4 stanchions</li> <li>•100 ft. of warning flags</li> </ul>	

## Warning Flags

Part Number	RSE-WARNINGFLAG-RED
	RES-WARNINGFLAG-YELW
<b>Features</b>	
<ul style="list-style-type: none"> <li>•105 ft.</li> <li>•Increases visibility of hazardous areas</li> <li>•18" Red/yellow triangle flags</li> <li>•500 lb. required break strength</li> <li>•10 pcs per box</li> </ul>	

## Perimeter Defender

Part Number	RSE-PERIMETERDEFEND
<b>Features</b>	
<ul style="list-style-type: none"> <li>•Easy flag tie-off system</li> <li>•Quick set-up and removal</li> <li>•Safety orange, UV resistant</li> <li>•Stackable with or without base</li> <li>•39" OSHA compliant tie off height 1926.502(f)(2)(ii)</li> <li>•High impact polyethylene</li> <li>•Skid resistant</li> <li>•Rubber base will not damage surfaces</li> </ul>	

## Parapet Wall and Universal Guardrail System

Part Number	RSE-RZ65015
<p>Adjustable and easy to use guardrail system for parapet walls and floor slabs. Unique tubular design allows for easier placement and installation. Adjustable rail brackets for easy and fast attachment of 2x4's. By inverting the compression base, you can use as a universal guardrail system for exposed floors, walkways, decks, or wherever you need a fall protection system. Maximum spacing of 8', complies with OSHA standards. Comes with toe board bracket installed. 2 per master carton.</p>	

# P.P.E.

## Economy Safety Glasses

Part Number	RSE-SAFGLAS-iPROSMOK
	RSE-SAFGLAS-iPROCLR
<ul style="list-style-type: none"> <li>•9.5 base curve offers wrap around protection</li> <li>•No hard coating on lens</li> <li>•Polycarbonate lens offers 99% UV protection</li> <li>•Meets the requirements of ANSI Z87.1 - High Impact</li> </ul>	

## Maltese Safety Glasses w/Strap

Part Number	RSE-SAFGLAS-VIPERBLK
	RSE-SAFGLAS-VIPER
<ul style="list-style-type: none"> <li>•One piece 6.75 base curve</li> <li>•Rubber inserts in temple for extra hold</li> <li>•Hard coated lens offers 99% UV protection &amp; scratch resistance</li> <li>•Includes strap</li> <li>•Meets the requirements of ANSI Z87.1 - High Impact</li> </ul>	

## OMEGA II 6pt Ratchet Hard Hat

Part Number	RSEHARDHAT-OMGII-YLW
	RSEHARDHAT-OMGII-WHT
	RSEHARDHAT-OMGII-RED
<ul style="list-style-type: none"> <li>•Molded from high density polyethylene for maximum protection</li> <li>•Secure-fit ratchet features an easy turn knob</li> <li>•Adjusts to over 40 different head sizes, 6 1/2 - 8</li> <li>Meets ANSI Z89.1-2009, Type 1, Class C, E &amp; G requirements</li> <li>•Made in USA</li> </ul>	

## Blue Latex Coated String Glove

Part Number	MISGLOVE-ECONCTD-L12
<ul style="list-style-type: none"> <li>•Cotton/polyester shell</li> <li>•Latex coated palm and fingertips</li> <li>•Straight thumb</li> </ul> <p><b>Suggested Applications</b></p> <ul style="list-style-type: none"> <li>•Material Handling</li> <li>•General Maintenance</li> </ul>	

## Coated Black PVC Gloves

Part Number	MISGLOVE-COATEDPVC12
<ul style="list-style-type: none"> <li>•Fully coated black PVC glove</li> <li>•Double dipped, interlock lined</li> <li>•12" gauntlet with rough finish</li> <li>•Straight thumb</li> </ul> <p><b>Suggested Applications</b></p> <ul style="list-style-type: none"> <li>•Basic liquid and chemical protection</li> <li>•Construction</li> <li>•Auto industry</li> <li>•Mining</li> </ul>	

## Nitrile Dip, Sandy Palm Safety Gloves

Part Number	MISGLOVE-BLUENYLONL
	MISGLOVE-BLUENYLONXL
<p>13 gauge blue nylon with spandex liner. Nitrile coated palm and fingers with rough finish. Elastic Cuff. Sizes LG - XL</p>	

# P.P.E.

## Brown Jersey Glove

Part Number	MISGLOVE-BROWNJERSEY12
-------------	------------------------

- One size
- Features: 100% cotton jersey knit, 1.6 oz., clute cut with knit wrist
- The knit material offers pliability and conforms to hands to allow better dexterity

### Suggested Applications

- Assembly work
- Clean up/general use

## Leather Palm Glove

Part Number	MISGLOVE-LETHPALMOS
-------------	---------------------

**Sizes: One Size.**  
**Economical standard weight glove.**  
**Features include: shoulder split palm with canvas back, full feature gunn cut with lined palm, winged thumb, safety cuff.**  
**Suggested applications: General duty work Maintenance**

## Dust Mask

Part Number	
-------------	--

- Designed to direct exhaled air away from the nose panel, helping reduce eyewear fogging
- Comfortable braided headbands help keep respirator securely in place and minimize pulling of hair

## Roofers Pitch Hood

Part Number	RMP-414020
-------------	------------

**Breathable dacron material protects workers from pitch fumes. Complete face and neck coverage. Lightweight and washable. Use over and over again. Will not stretch out.**

## Ultra Light Blue Rubber Kneepads

Part Number	MIS-KNEEPAD-BLUE
-------------	------------------

- 1 pair per pack
- Excellent grip
- Maximum comfort and security
- Tough flexible nonskid outer shell

## Dust Mask with Respirator

Part Number	
-------------	--

- Designed to help deliver N95 respiratory protection with the addition of the proprietary 3M™ Cool Flow™ Valve
- 3M™ Cool Flow™ Valve helps keep wearer cool by releasing hot, humid exhaled breath quickly

# P.P.E.

**ANSI Vest Class II**

Part Number	MIS-SAFETYVEST-ANSI2
<ul style="list-style-type: none"> <li>•ANSI class 2 mesh vest</li> <li>•100% polyester</li> <li>•Aware lite reflective trim</li> <li>•Hook and loop front closure</li> <li>•Lime w/silver stripes</li> <li>•Multiple sizes available</li> </ul>	

**Safety Vest**

Part Number	MIS-SAFETYVEST
<ul style="list-style-type: none"> <li>•Lightweight, highly visible polyester mesh</li> <li>•Adjustable hook and loop front closure</li> <li>•Elastic side straps</li> <li>•1" reflective stripes on front and back</li> <li>•Does NOT meet the requirements of ANSI/ISEA 107</li> <li>•One size fits most</li> </ul>	

**Foam Ear Plugs**

Part Number	RSE-EARPLUGFOAMCORD
	RSE_EARPLUGFOAM
<ul style="list-style-type: none"> <li>•Smooth, dirt resistant surface for better hygiene</li> <li>•Tapered design to fit the ear canal for added comfort</li> <li>•Bright orange color for visibility</li> <li>•Hypo-allergenic material</li> <li>•NRR 29 dB (when used as directed).</li> <li>•Corded and Uncorded available</li> </ul>	

**3pc Rain Gear**

Part Number	MISRAINGEARLG
	MISRAINGEARXL
	MISRAINGEARXXL
<b>3PC PVE Rain Gear</b> <ul style="list-style-type: none"> <li>•Hood</li> <li>•Jacket</li> <li>•Pants</li> <li>•Available in LG, XL, XXL</li> </ul>	

**Aluminum Face Shield Bracket**

Part Number	RSE-FACESLDBRKT15195
<ul style="list-style-type: none"> <li>•Aluminum Face Shield Bracket</li> <li>•Adjustable</li> </ul>	

**Face Shield Bracket**

Part Number	RSE-FACESHIELD15161
<ul style="list-style-type: none"> <li>•Face Shield Bracket</li> <li>•For Omega II Hard Hat</li> </ul>	

**Face Shield**

Part Number	RSE-FACESHIELD15151
<ul style="list-style-type: none"> <li>•Clear, Poly Carbon</li> </ul>	

# Fall Safety

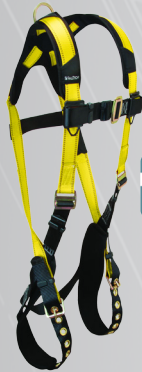

## 50' Fallmaster Fall Arrest System

Part Number	RMP-412315
<p>50' FallMaster BASIC Fall Arrest System Contains: * Universal harness HUV with 5 points of adjustment for added comfort * 50' Vertical Lifeline Assembly with Shock Pack, and * Permanently attached Positioning Device with 18" lanyard extension to keep device within reach * Two double locking snap hooks * Snappy Disposable Anchor with nails. This Kit meets or exceeds O.S.H.A Regulation 29CFR1926 and A.N.S.I. Z359-2009, requiring Personal Fall Arrest Systems.</p>	

## FallTech Contractor Harness

Part Number	FTS-7016
	FTS-7016X/2X
	FTS-70163X
<ul style="list-style-type: none"> <li>•Standard, Non-belted</li> <li>•1 back D-ring, tongue buckle legs, mating buckle chest</li> <li>•5 points of adjustment (Chest, Legs, and Torso)</li> <li>•Paired mating buckles adjusters on front torso</li> <li>•Torso keeper for stowing lanyard connector</li> </ul>	

## FallTech Journeyman Harness

Part Number	FTS-7021
	FTS-7021XL
	FTS-70212XL
	FTS-70213X
<ul style="list-style-type: none"> <li>•Standard, Non-belted</li> <li>•1 back D-ring, tongue buckle legs, mating buckle chest</li> <li>•Premium breathable padded air mesh shoulder yoke with integral non-slip dorsal D-ring adjustment</li> <li>•Twin torso keepers for stowing idle lanyard connectors</li> <li>•Forged alloy and steel hardware</li> <li>•18" contoured stitched-down leg pads</li> <li>•Low-profile spring-tension torso adjusters</li> </ul>	

## FallTech Leading Edge Retractable

Part Number	FTS-727630LE (30')
	FTS-727650LE (50')
<ul style="list-style-type: none"> <li>•7/32 Galvanized Steel Cable</li> <li>•Internal Inertial Brake And External Shock Pack</li> <li>•Glass-filled Nylon Housing</li> <li>•1 Connecting Carabiner and 1 Load-indicating Swivel Carabiner</li> </ul>	

# Fall Safety

**FALLTECH**  
Fall Protection. Precision Engineered.

## FallTech Retractable Cable

Part Number	FTS-727630 (30')
	FTS-727650 (50')
<ul style="list-style-type: none"> <li>•SRL with Glass-filled Nylon Housing</li> <li>•1 Connecting Carabiner and 1 Load-indicating Swivel Carabiner</li> </ul>	

**FALLTECH**  
Fall Protection. Precision Engineered.

## FallTech DuraTech 10' Retractable

Part Number	FTS-82710SC1
<ul style="list-style-type: none"> <li>•10' Compact Web SRD</li> <li>•Steel Carabiner w/Captive Pin</li> <li>•Steel Snap Hook Leg-end Connector</li> </ul>	

**FALLTECH**  
Fall Protection. Precision Engineered.

## FallTech 9' Retractable Cable

Part Number	FTS-83809SG9
<ul style="list-style-type: none"> <li>•9' Compact Cable SRD</li> <li>•3/16" Stainless Steel Cable</li> <li>•Integral Aluminum Swivel eye and Aluminum Carabiner on Anchorage End</li> <li>•Load-Indicating Swivel Snap Hook on Leg End</li> </ul>	

**FALLTECH**  
Fall Protection. Precision Engineered.

## FallTech DuraTech 6' Retractable

Part Number	FTS-72706SB1
<ul style="list-style-type: none"> <li>•6' Mini SRD Single-LegSteel carabiner</li> <li>•Steel snap hook</li> <li>•Swivel-eye for reduced lifeline leg twisting</li> <li>•Durable compact and impact resistant nylon housing</li> </ul>	

# Fall Safety

**FALLTECH**  
Fall Protection. Precision Engineered.

## FallTech 20' Web Retractable

Part Number	FTS-7276WR
<ul style="list-style-type: none"> <li>•Web SRL</li> <li>•Glass-filled Nylon Housing</li> <li>•Dyneema Web</li> <li>•Connecting Carabiner</li> <li>•Load-indicating Swivel Carabiner.</li> </ul>	

**FALLTECH**  
Fall Protection. Precision Engineered.

## FallTech D-Ring Extender

Part Number	FTS-8366
<ul style="list-style-type: none"> <li>•Snap hook attachment to the dorsal</li> <li>•D-ring on the full body harness reduces the user's reach</li> </ul>	

**FALLTECH**  
Fall Protection. Precision Engineered.

## FallTech Rope Grab Lanyard

Part Number	FTS-8353
<ul style="list-style-type: none"> <li>•Single Leg</li> <li>•ViewPack</li> <li>•Manual/Park Rope Grab</li> <li>•1 Snap Hook</li> <li>•For 5/8" Rope.</li> </ul>	

**FALLTECH**  
Fall Protection. Precision Engineered.

## FallTech 6' Basic Lanyard

Part Number	FTS-8256LT
<ul style="list-style-type: none"> <li>•Rugged 1" polyester webbing provides extreme UV resistance</li> <li>•Tear-away absorber design limits fall forces to 900 lbs or less</li> <li>•Polyester label cover protects warning and inspection labels</li> <li>•3,600 lbs gate strength on all steel connectors</li> </ul>	

# Fall Safety

## FallTech 6' Y-Leg Lanyard

Part Number	FTS-8256LTY
-------------	-------------

- Rugged 1" polyester webbing provides extreme UV resistance
- Tear-away absorber design limits fall forces to 900 lbs or less
- Polyester label cover protects warning and inspection labels
- 3,600 lbs gate strength on all steel connectors
- 3 Snap Hooks

## FallTech Pass Through Strap

Part Number	FTS-7336 (3')
	FTS-7372 (6')

- Heavy-duty 1-3/4" polyester webbing with rugged forged alloy-steel hardware
- Ideal for I-beams and other properly rated structural members
- 3" wear pad protects primary webbing from cuts and abrasion

## FallTech 50' Vertical Lifeline

Part Number	FTS-8150
-------------	----------

- 3-strand construction provides low elongation and durability
- Abrasion, UV and chemical resistant for long life

## FallTech Reusable Roof Anchor

Part Number	FTS-7410
-------------	----------

- Heavy-duty alloy steel plates and D-ring
- Holes marked for use with either nails or screws
- Reusable when attached with screws
- Hinged design conforms to most roof peaks

# Fall Safety

## FallTech Multi-Use Anchor

Part Number	FTS-7451AC
<ul style="list-style-type: none"> <li>•Temporary and permanent applications</li> <li>•Integral bushing for 360 degree self-orientating D-ring</li> <li>•For vertical or overhead applications</li> <li>•Reusable zinc plated stainless steel anchor plate with integral D-Ring</li> </ul>	

## FallTech Medium Carabiner

Part Number	FTS-8450
<ul style="list-style-type: none"> <li>•Rugged forged alloy steel construction</li> <li>•One hand operation provides user with ease of use even when wearing gloves</li> <li>•User installed steel Captive Pin helps to guard against misplacement or loss of carabiner when not in use</li> </ul>	

## FallTech Unifit Carry Kit

Part Number	FTS-KITI62596P
<p style="text-align: center;"><b><u>Contractor Harness</u></b></p> <ul style="list-style-type: none"> <li>•Standard, Non-belted</li> <li>•1 back D-ring, tongue buckle legs, mating buckle chest</li> <li>•5 points of adjustment (Chest, Legs, and Torso)</li> <li>•Paired mating buckles adjusters on front torso</li> <li>•Torso keeper for stowing lanyard connector</li> </ul> <p style="text-align: center;"><b><u>Tubular Web</u></b></p> <ul style="list-style-type: none"> <li>•Full-length internal energy absorber limits fall forces to 900 lbs or less</li> <li>•3,600 lbs gate strength on all steel connectors</li> <li>•Durable tubular polyester outer jacket web resists abrasion and UV</li> <li>•Contrasting load-indicator stitch displays when a fall event has occurred</li> </ul> <p style="text-align: center;"><b><u>Bag</u></b></p> <ul style="list-style-type: none"> <li>•Large sized duffle bag</li> <li>•Ideally suited for storing your harness, lanyard, srl and other fall arrest equipment</li> </ul>	

# Safety Cans

## Type II Safety Can Red (Gasoline)

## Type II Safety Can Yellow (Diesel)

Part Number	RSEEAGLE-GAS5-TP2
-------------	-------------------

Part Number	RSEEAGLE-5DIESEL-T2
-------------	---------------------

Eagle's 2 Gallon Type-II Safety Can (U251S) feature two openings, one with a pressure-relief spring closing lid for filling, one with an actuated pour valve with a flexible metal spout for safer controlled dispensing. Red for safe handling and storage of gasoline and other flammable liquids.

Eagle's 2 Gallon Type-II Safety Can (U251S) feature two openings, one with a pressure-relief spring closing lid for filling, one with an actuated pour valve with a flexible metal spout for safer controlled dispensing. Yellow for safe handling and storage of diesel and other flammable liquids.

## Type I Safety Can Yellow (Diesel)

## Type I Safety Can Red (Gasoline)

Part Number	RSEEAGLE-5DIESEL
-------------	------------------

Eagle safety cans are constructed of 24-gauge hot dipped galvanized steel, are the only deep drawn seamless can made, have a double interlock no-weld bottom seam, a baked on powder coat finish with a trilingual label, have a spring closing lid with neoprene gasket that vents at 5 psi internal pressure, have a non-sparking flame arrestor and pour spout and are 100 made in the USA. Eagle Manufacturing Company's 5 gallon Yellow Safety Can (UI50FSY) meets OSHA and NFPA Code 30 requirements and are UL and ULC listed and FM approved for safe handling and storage of diesel. (Accepted under CARB).

Part Number	RSEEAGLE-GAS5 (5 gallon)
	RSEEAGLE-GAS1 (1 gallon)

Eagle 5 gallon Type 1 Red Safety cans are constructed of 24-gauge hot dipped galvanized steel, are the only deep drawn seamless can made, have a double interlock no-weld bottom seam, a baked on powder coat finish with a trilingual label, have a spring closing lid with neoprene gasket that vents at 5 psi internal pressure, have a non-sparking flame arrestor and pour spout and are 100 made in the USA. Eagle Manufacturing Company's 5 gallon, Type 1 Red Safety Can (for flammable liquids) meets OSHA and NFPA Code 30 requirements and are UL and ULC listed and FM approved for safe handling and storage of gasoline and other flammable liquids. (Accepted under CARB).
